At the end of September, after the last storm ended I was heading back to school. I wanted to transfer school so I could forget all the things that happened. But while I was hurrying to school, I ended up being alone with the person I love.

"Yoshi-kun. I'm sure this will be the last day that we still laugh and walk beside each other. I hope this moment still lasts even if it's just for a little while.

GREETINGS

For those who are here the first time, it's nice to meet you.
Hello, this is Mitsuki Kaco. I'm grateful to those who picked up a lot of my books.
Well, this is Mitsuki Kaco's 4th volume of compiled comics.
Even though your time is precious, I'll be happy if you enjoyed this, even if it's just a little bit.

It's the end of September. Summer's last big storm.
high winds
At dawn, the 20th typhoon entered the Kanto region.
The threat is getting a lot closer throughout the morning
It seems like my tears are spilling out. This feeling.
Ah
I can't.
sniffle
Where did Touko go?
Is forcibly being kidnapped by the weather
The school is closing, right?
Yesterday was your farewell party
Even though you're transferring, I hope you'll remain well
Once in a while
Even though we may not be able to see each other, we're in the same class.
Probably.
But I won't be able to return to this group of friends.
Either way, I'll go today.
The school is open, right?
Today is my last day here. I'm transferring.

I guess...
Because no one is here.

What's that?

Really?? You have guts!
Is that so?
Could it be that... You rode your bike today?
Yeah.
If I have to describe him with one word, it'll be "cool"
So close.

At the last the moment, he came...
And
He's unsociable, I think.

Hmm?
I slept in. It's already the second period.
I'll take my time.

There's no one here. Let's take a walk and have one last look around.
Especially since it'll be unobstructed.
There's no one around.

This seems like a dream.
He smiled!.
Let's go!
Isn't it...
It's kind of strange to see that there's no one in the school.

SPINNING
His uniform looks different. It's not from our school but more importantly,
SPINNING
if he was commuting to school, then he'll probably ride this train again. But the possibility of that is really low...
SPINNING
Which station did he get on again? Was it the same as mine?
SPINNING
He gave off a youngish feel, so maybe he's a middle school student.
SPINNING
He sure was a good child...
Why am I,

Saying it wasn't going to rain .. what a lie!
That annoying Yoshimoto!

But doesn't he have heaps of people following him?
A totally different level from ours
Besides, being a primary school student, he's way too young. I don't get it!
From where he's standing, we probably look like a bunch of old ladies! Old ladies!
ahahaha
True, true!
Right?
Of course, it's true! But now I'm haunted by these three thoughts:
He's a middle school student,
ba-dump
Who probably thinks I'm an old lady,

Whom he probably conveniently kills time with.

Oh, crap.

I shouldn't think such unnerving thoughts.

It's sunny. Haha

Even though today's such a fine day
I was really shaken,
When you suddenly started to cry
Having the umbrella returned on top of having our conversation overheard— Just thinking that makes me sweat and panic.
Anyway, you got the wrong idea!

It's because I like you!
This whole time,
I've wanted to walk with you like this!
